Charging USB cable ECO 3in1

The cable is made of a mixture of plastic and wheat straw and therefore has a lower impact on the environment than conventional plastic. Straw is also the reason for the specific color design of the product.

Code :cable-ECO-Square

ECO cable is a universal charging cable with Micro USB (Android), USB-C, and lightning (iPhone) connectors.

The cable head is available in 2 different shapes to suit each logo. The cable is also equipped with a ring or clip for easy attachment to keys or a backpack. Thanks to its small size, it is ideal for travel.
